Computerized Quilting

The Pro-Stitcher Premium and Pro-Stitcher Lite quilting systems integrate world-class quilting machines with the latest computer technology. Expand your quilting possibilities and finish more quilts. Using integrated technology, Pro-Stitcher systems offer the best of both worlds: computerized quilting and free-motion quilting in the same package.

Pro-Stitcher Premium available for Infinity, Amara 24, and Amara 20
Pro-Stitcher Lite now available for Moxie and Moxie XL.

- Color touchscreen computer at your fingertips
- Add your own or use pre-loaded designs
- Switch between computer-guided and free-motion quilting at the touch of a button
- Move designs into position by simply sliding your finger across the screen
- Ability to read most digital pattern formats
- Seamless integration with Pro-Stitcher Designer™ for creating your own patterns at the longarm machine or on your computer.
- On-screen Grid and Ruler to measure designs or area on quilt
- Horizontal and vertical channel lock
- Help menus always accessible

MORE THAN A MACHINE.

Handi Quilter understands that quilters need a reliable, low-maintenance quilting machine that makes it easy to finish more quilts. *By Quilters, for Quilters* is more than just a motto, it encompasses what we do on a daily basis. We talk with quilters, listen to quilters, and we are quilters. Every day, we work to produce the world’s finest longarm quilting machines, so quilters everywhere—with different skill levels, quilting ambitions, space, and budgets—can quilt in ways that best suit their unique needs.

Handi Quilter's innovative technology and quality engineering provide the functionality that quilters demand, paired with the smoothest stitch in the industry. Our customers experience the benefits of a high-quality product, backed by our trusted warranty, and the largest network of local authorized retailers.

HANDI QUILTER LONGARMS FEATURE:

- Nationwide retailer support: 400+ trained and authorized retailers in the U.S.A. and Canada
- HQ Warranty: 10 years casting, 5 years electrical and mechanical
- Designed and engineered in the U.S.A.
- Compliance with our seven-point quality control process
- Training provided with every longarm purchase
- Educational video tutorials and tips available at HandiQuilter.com
- Educational retreats and events featuring world-class quilting instructors
- Hands-on experiences at major quilt shows nationwide and around the world
- HQ Customer Care and Technical Support
