See details at [HandiQuilter.com/product/Moxie-ST](https://HandiQuilter.com/product/Moxie-ST)

# MOXIE™

Now every stitch can be yours—from pieced top to finished quilt. Find 15" of free-motion freedom with the Moxie. Forget basting with pins or cramming quilts through a domestic machine. Start stitching with straightforward features, easy-to-use controls, and the space to get creative.

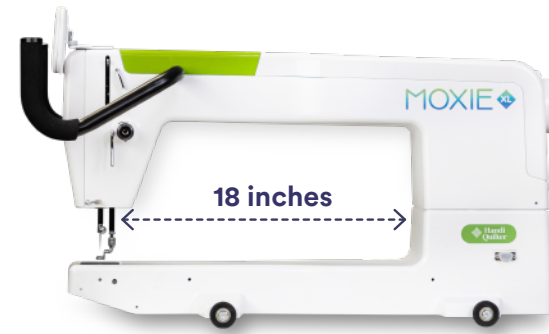

Speed:	1,800 stitches per minute
Throat Space:	15"
Footprint*:	4' x 5' or 4' x 8' or 4' x 10'
Stitch Modes:	Manual and Regulated (Precision and Cruise)
SPI:	4 to 18 stitches-per-inch, basting
Lighting:	Built-in LED lighting
Control:	Front handlebars with color display
Tension:	Manual thread tension control
Table/Frame:	HQ Loft Frame or HQ Little Foot Frame
Options:	Pro-Stitcher Lite, Quilt from the Back Kit, Groovy Board Kit, Steady-Fit™ Ruler Base, Interchangeable Handi Feet, Horizontal Spool Pin, Laser Light, Quilt Clamps, HQ Loft Frame 8' Table Top Kit, HQ Loft Frame 2' Extension Kit, Mini Casters

See details at [HandiQuilter.com/product/Moxie](https://HandiQuilter.com/product/Moxie)

# MOXIE™ XL

Don't let space restrictions dictate what you can create. The Moxie XL enables any quilter, beginner to advanced, to finish their own quilts. With 18" of throat space combined with elevated features and beautifully smooth stitches, the Moxie XL raises the bar for those who want to make the leap to a longarm machine.

Speed:	2,100 stitches per minute
Throat Space:	18"
Footprint*:	4' x 5' or 4' x 8' or 4' x 10'
Stitch Modes:	Manual and Regulated (Precision and Cruise)
SPI:	4 to 18 stitches-per-inch, basting
Lighting:	Built-in LED lighting
Control:	Front handlebars with full-color touchscreen
Tension:	Manual thread tension control
Table/Frame:	HQ Loft Frame or HQ Little Foot Frame

## MORE THAN A MACHINE.

Handi Quilter understands that quilters need a reliable, low-maintenance quilting machine that makes it easy to finish more quilts. *By Quilters, for Quilters* is more than just a motto, it encompasses what we do on a daily basis. We talk with quilters, listen to quilters, and we are quilters. Every day, we work to produce the world's finest longarm quilting machines, so quilters everywhere—with different skill levels, quilting ambitions, space, and budgets—can quilt in ways that best suit their unique needs.

Handi Quilter's innovative technology and quality engineering provide the functionality that quilters demand, paired with the smoothest stitch in the industry. Our customers experience the benefits of a high-quality product, backed by our trusted warranty, and the largest network of local authorized retailers.
