## Pro-Stitcher Premium: Cropping A-Z

Create and stitch this small wholecloth quilt using not only the Crop tools, but several others!

### Create the Cutting Guide

Set a 12" Square Area using the 2 Corner Area tool.

Open the Circle pattern from the Handi Quilter Blocks folder.

Resize to 12" round.

Align to Center (H) horizontally and (V) vertically.

Baseline. Rename "Cutting Guide".

### Create the Binding Guide

Edit>Duplicate the Circle pattern.

Resize to 11.5" round.

Align to Center (H) and (V).

Baseline. Rename "Binding Guide".

### Create Outer Petals

Open Sunflower Sister from the Handi Quilter Blocks folder.

Resize to 11.25" round.

Duplicate. Set aside.

Select first Sunflower Sister.

Align to Center (H) and (V).

Baseline. Rename "Outer Petals".

Open Circle pattern.

Resize to 9" round.

Align to Center (H) and (V).

Baseline. Rename Outer Sash.

Area>Rubber Band (RB).

Select Outer Petals.

Crop>Inside>Edges.

Baseline.

### Complete the Sash

Duplicate the Circle pattern.

Resize to 8" round.

Align to Center (H) and (V).

Baseline. Rename "Inner Sash".

## Create Inner Petals

With Inner Sash selected, Area>RB.

Select duplicate Sunflower Sister.

Edit>Duplicate. Set aside second duplicate.

Select first duplicate Sunflower Sister.

Align to Center (H) and (V).

Crop>Outside>Edges.

## Refill Center of Sunflower

Measure height of empty sunflower center.  
Probably 1.84"

Select Area.

Resize height to 1.84".

Open the Crosshatch pattern from the Handi Quilter Blocks folder.

Align to Center (H) and (V).

Resize height to 4.5".

Baseline.

Crop>Outside.

Baseline.

## Set the Stitch Order

Activate Multi-Select tool-

Select, in order:

1. Cutting Guide
2. Binding Guide
3. Outer Petals
4. Outer Sash
5. Inner Petals
6. Inner Sash
7. Center Circle
8. Crosshatch Square
9. Center Sunflower

Congratulations!

You can now set a 12" Area at your machine and stitch your masterpiece!
