Dream Big and Make it Yours with Special Financing*

†A promo fee, equal to 2% of the amount financed at time of purchase, will be shown as a separate transaction on your billing statement and included in the balance subject to this promo. Any taxes, delivery or other charges included in the amount financed will increase the related promo fee and the required monthly payments. The estimated required monthly payment shown (which may exclude taxes, delivery or other charges) equals the amount financed (including related promo fee) divided by the number of months in the promo period, rounded up to the next cent. Although estimated monthly payments shown will be rounded up to the next whole dollar (for ease of display), your actual required equal monthly payment will be rounded up to the next cent on your billing statement. During the last month(s) of the promo period the required monthly payment may be reduced due to this rounding. These payments apply only with the financing offer shown. If you make these payments by the due date each month, you should pay off the amount financed (including related promo fee) within the promo period, if it is the only balance you are paying off. If you have other balances on your account, this payment will be added to any other minimum monthly payments.

IMPORTANT: The information about the Equal Monthly Payment shown on the previous page assumes the following promotional financing offer is applied to the promo purchase balance:

0% Interest for 24, 36, 48 or 60 Months†

On qualifying purchases made with your Sewing & More credit card. Promo fee of 2% of amount financed will be included in required monthly payments. Equal Monthly Payments required for 24, 36, 48 or 60 months.

†Qualifying purchase amount must be on one receipt. A promo fee, equal to 2% of the amount financed at time of purchase, will be shown as a separate transaction on your billing statement and included in the balance subject to this promo. Any taxes, delivery or other charges included in the amount financed will increase the related promo fee and the required monthly payments. For example, a \$950 purchase with \$50 in taxes and shipping costs, will be charged a promo fee equal to \$20 and \$1,020 will be charged to your account. No interest will be charged on the amount financed (including related promo fee) and equal monthly payments are required on such balance until it is paid in full. The payments equal the amount financed (including related promo fee) divided by the number of months in the promo period, rounded up to the next cent. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. During the last month(s) of the promo period the required monthly payment may be reduced due to the prior months' rounding. Regular account terms apply to non-promo purchases. For New Accounts: As of 07/16/2024, Purchase APR is 34.99%. Penalty APR is 39.99%. Minimum Interest Charge is \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval.

Also available:

No Interest if Paid in Full within 12 Months^

On qualifying purchases made with your Sewing & More credit card. Interest will be charged to your account from the purchase date if the promotional balance is not paid in full within 12 months. Minimum monthly payments required.

^Any suggested equal monthly payment shown (which excludes taxes and delivery) in connection with this promotional offer:

- May be greater than the required minimum monthly payment that will be charged on your billing statement;
- Equals the amount financed divided by the number of months in the promo period rounded to the next highest whole dollar, and
- Would pay off the amount financed within the promo period, but only if there are no other balances on your account at any time during the promo period and you make your payments on time. In such event, your total payments will equal the amount of the amount financed.

Qualifying purchase amount must be on one receipt. A promo fee does not apply to this offer. No interest will be charged on the promo balance if you pay it off, in full, within the promo period. If you do not, interest will be charged on the promo balance from the purchase date. The required minimum monthly payments may or may not pay off the promo balance before the end of the promo period depending on purchase amount, promo length and payment allocation. Regular account terms apply to non-promo purchases and, after promo period ends, to the promo balance. For New Accounts: As of 07/16/2024, Purchase APR is 34.99%. Penalty APR is 39.99%. Minimum Interest Charge is \$2. A promo fee will be charged equal to 2% of the amount financed on an equal payment no interest promotion of 18 months or more. Existing cardholders: See your credit card agreement terms. Subject to credit approval.
