Dream Big and Make it Yours with Special Financing*

†The estimated required monthly payment shown on the previous page (which excludes taxes and delivery) equals the Amount Financed divided by the number of months in the promo period. It is rounded to the next highest whole dollar. During the last month(s) of the promo period the required monthly payment may be reduced due to this rounding. These payments apply only with the financing offer shown. If you make these payments by the due date each month, you should pay off this Amount Financed within the promo period, if it is the only balance you are paying off. If you have other balances on your account, this payment will be added to any other minimum monthly payments.

IMPORTANT: The information about the Equal Monthly Payment shown on the previous page assumes the following promotional financing offer is applied to the promo purchase balance:

0% Interest for 24, 36, 48 or 60 Months†

On qualifying purchases made with your Sewing & More credit card. Equal Monthly Payments required for 24, 36, 48 or 60 months.

†Qualifying purchase amount must be on one receipt. No interest will be charged, and equal monthly payments are required on promo purchase until it is paid in full. The payments equal the amount financed divided by the number of months in the promo period, rounded up to the next whole dollar. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. During the last month(s) of the promo period the required monthly payment may be reduced due to the prior months' rounding. Regular account terms apply to non-promo purchases. New Accounts as of 7/31/25: Purchase APR 34.99%. Penalty APR 39.99%. Min Interest Charge \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval. We reserve the right to discontinue or alter the terms of this offer any time.

Also available:

No Interest if Paid in Full within 12 Months^

On qualifying purchases made with your Sewing & More credit card. Interest will be charged to your account from the purchase date if the promotional balance is not paid in full within 12 months. Minimum monthly payments required.

^Any suggested equal monthly payment shown (which excludes taxes and delivery) in connection with this promotional offer:

- May be greater than the required minimum monthly payment that will be charged on your billing statement;
- Equals the amount financed divided by the number of months in the promo period rounded to the next highest whole dollar, and
- Would pay off the amount financed within the promo period, but only if there are no other balances on your account at any time during the promo period and you make your payments on time. In such event, your total payments will equal the amount of the amount financed.

Qualifying purchase amount must be on one receipt. No interest will be charged on the promo balance if you pay it off, in full, within the promo period. If you do not, interest will be charged on the promo balance from the purchase date. The required minimum monthly payments may or may not pay off the promo balance before the end of the promo period depending on purchase amount, promo length and payment allocation. Regular account terms apply to non-promo purchases and, after promo period ends, to the promo balance. New Accounts as of 7/31/25: Purchase APR 34.99%. Penalty APR 39.99%. Min Interest Charge \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval. We reserve the right to discontinue or alter the terms of this offer any time.
